Q. (In progress.)

HANA WAKIMOTO: Recently my ball striking has been really good, so I have confident with my shots and tucked pin today and also my putting was great so overall I could shoot this score.

Q. And after playing in some practice rounds and preparing for this tournament and seeing this golf course, did you think you would be able to shoot this low out here and have this many birdies?

HANA WAKIMOTO: Actually I couldn't practice on Monday but I really had a long practice round on Tuesday. But my game plan, I had my game plan in my mind and it worked out today.

Q. What do you think about this golf course really suits your game?

HANA WAKIMOTO: This golf course is not too narrow, and there are still like tricky holes at couple holes. But my tee shot has been really good today and greens are soft so the ball is stop actually.

So I could attack to the pins today.
