Q. All right respect here with Yuna after her second round. 7-under today. Talk about how you played.

YUNA NISHIMURA: All day my shot has been really good and I can sink the putts, so overall I had a good round today.

Q. And is there anything you really enjoy about this golf course?

YUNA NISHIMURA: I'm not sure if I like this course, but all Japanese fans are great here, so I have been enjoying playing on this course.

Q. Even through the rain today and everything there was a lot fans still here to support you. What does that mean to see that?

YUNA NISHIMURA: Even though when I struggled in my game they're very supportive and cheer me up, so that's a key element to shoot a good score here.

Q. Last question: You had, I believe, four birdies in the last five holes. What was that like? What was going so well in that streak?

YUNA NISHIMURA: I feel on the fifth hole I could make a really long putt, so that was momentum to keep going so I could focus on my game this day, especially the five-hole stretch, final stretch.
