Quick Quotes

Q. Joining us after the first round of the TOTO Japan Classic, we have Pajaree Annanarukarn. You seem to play this event most years. What is it about this event that you like?

PAJAREE ANNANARUKARN: Everything. I always like coming back here to Japan, just because obviously the people are so nice, and the food is amazing, as well as the course. They always have us play on a really good course, good conditions, and it's just always nice to be back here.

Q. A bit wet today; can you just give some impressions of the course and of how you managed the conditions?

PAJAREE ANNANARUKARN: Yep, it was a lot of rain this morning. We got an hour delay. Luckily we were able to finish the round, so that's good. A big thank you to all the crew that made the course well and prepared for us to be able to play today. The course is in good shape still. Just a little bit softer, even though at the beginning of the week it's already soft, but today it played a little bit extra soft.

It was a great round. I think the greens are more receptive, and I feel like you can play a bit more aggressive at some hole locations. I think it's been great.
