Quick Quotes

Q. Low round of the day so far; can you talk about what you were doing well to go low in tough conditions?

SAYAKA TAKAHASHI: I didn't make mistakes a lot, so that's why I could shoot a low score today.

Q. Two wins on JLPGA this year. Is there something that makes this event different or important compared to other events?

SAYAKA TAKAHASHI: This season's goal is to win three events, so actually I already had two wins in Japan. Hopefully I can win a third one in the last part of the season.
