Quick Quotes

Q. Talk about your final round today.

ARPICHAYA YUBOL: Okay, all right. I do my best already, but it's golf. Everything is happen. But I think today they put the pin like so hard, really hard, like not easy like every day.

I just try to control everything as I can. So after I moving like to 16-under I feel like really confident. I think like maybe I can like make more and then I can like get like more moving up.

But after that, like hole 9, 10, 11, 12, I made all bogey in a row. Kind of stuck a little bit. But I try to keep thinking positive, like you still have many holes to come back.

So I just say after that I talk to myself, I don't want to finish over par today so I start to come back. That's good for me, yeah.

Q. You're playing in the final group. How was that feeling?

ARPICHAYA YUBOL: Oh, wow, of course.

Q. A lot of crowds.

ARPICHAYA YUBOL: Yeah, crowd and I'm really excited, yeah, for the big crowd. And it's always to be honor like to be on the last group every time.

But I think I'm learn for this thing for the future. I still feel have like put pressure to myself too much and then I think in the future like I'm going to learn from this one and then making better.

Q. Overall how was your experience this week in Japan?

ARPICHAYA YUBOL: Oh, excellent. I would say this is my first time I finish like now I'm Top 5 already. First time Top 5. Even like I would say my body is not ready because we play three week in a row and getting tired.

So, yeah, that's make me like really happy for another Top 5 in my career, yes.

Q. What's your plan after this tournament?

ARPICHAYA YUBOL: So after this tournament I will go back to my home in Houston.

Q. Oh, you live in Houston?

ARPICHAYA YUBOL: Yes. So I do one week off and get ready for the CME.

Q. Great. Doing any touring in Japan or no time? Right back to Houston?

ARPICHAYA YUBOL: Yeah, I just plan my back on Monday. I wish. I book the flight and everything already, so go back.

It's been a while I don't have like to back to my home in Houston, maybe two month I think, so that's so long. I think this time it's going to be big cleaning to my house, yeah.
