BLUE BAY LPGA

蓝湾大师赛

**Q. All right, here with Lilia Vu getting some International Women's Day quotes. What does International Women's Day mean to you when you think about it?**

LILIA VU: I think it's a day to celebrate women from all over the world. I feel like I'm lucky to do that because I compete on a global tour, as you know. I'm always meeting new people and meeting new women, and it's always fun to be around them and supporting each other.

**Q. And being in different countries like we are this week in China, what's to like to experience different cultures and interact with women around the world?**

LILIA VU: It's been really fun. I feel like there was a big crowd out here. I was playing with Ruoning, so obviously it's her crowd. There was a lot of little kids out there following her, so it was really cool to see the turnout here.

**Q. What's it been like to receive support from women in other sports, as well you support them?**

LILIA VU: It's really cool to see other women athletes out there. I kind of look up to Alex Morgan. She's super cool. I try to keep up with her stuff. I know that she loves golf and is a huge supporter of golf in general with her new brand, so yeah, it's cool that they acknowledge us, too.
