BLUE BAY LPGA

蓝湾大师赛

**Q. Delighted to be with you, Yu Liu, after a wonderful round of 66. Those days where you could just sprinkle eight birdies on a scorecard are rather nice. Well done.**

YU LIU: Oh, appreciate it. Yeah, I wouldn't say it's a flawless round, especially out here. It's inevitable to make mistakes. I'm very happy about the score that I turned in and also the way that I handled myself out there.

**Q. Yeah, how difficult is it to keep that momentum going and keep believing in yourself?**

YU LIU: Yeah, it's always tough. I feel like once you're out there on the course there is no other choice but to trust the game. Definitely being more precise during day to day practice helps.

**Q. You've got a share the lead right now going into the weekend. Looking really good. You've been on the Tour for a number of years. The margins are so fine at the very top. Is it about confidence? Is that what it's all about? How much is it about technique?**

YU LIU: Yeah, I would say for competitive Tour golf it's always about the competition of the nuances. It's just being how good you are on the little things here and there. I just feel like last couple months my game has definitely been trending in the right direction. I'm feeling pretty good on and off the course. Just feeling more balanced.
