**Q. All right, here with Lucy Li after the third round of Blue Bay LPGA. 5-under 67 in some pretty breezy conditions. Can you talk about your day and what goes into preparation for a day like today?**

LUCY LI: Yeah, I mean, I actually wasn't -- it gets windy here pretty often, but this is probably the windiest I've played it in the couple years I've been out here.

I like playing in the wind so it's kind of just natural to me. I find it actually really fun.

**Q. What do you enjoy about playing in the wind? Is it just the way your ball flies? You just enjoy the challenge of it?**

LUCY LI: Yeah, I have a pretty penetrating ball flight, so that helps, but I also just love the challenge and having to think carefully about each shot, yeah.

**Q. And then how different does this course play when the wind is blowing like this? Maybe different holes play different ways when the wind is blowing so hard.**

LUCY LI: Yeah, definitely plays really different with different setups and stuff like that. Some holes play a lot longer and some holes play a lot shorter, so you just have to take it as it comes and just sort of like -- you have your game plan, but have to be able to think on the fly.

**Q. Obviously great round on moving day. Jumped up the leaderboard almost 20 spots. What kind of confidence does that give you going into the final round tomorrow after a long three weeks on the road here in Asia?**

LUCY LI: Yeah, definitely give you lot of confidence, but I've played well the last couple of days. I just didn't score as well as I should have.

So I sort of knew that I had that in me. So tomorrow is just another day and stick to the game plan and not think about any results.

... when all is said, we're done.®
