BLUE BAY LPGA

蓝湾大师赛

Q. Oh, my goodness, Mi Hyang. It's been almost nine years since your last victory. Must feel like it's been worth the wait.

MI HYANG LEE: Sorry, yes, I mean, I trust myself this morning, but I was -- I can feel I was nervous. You know, I really wanted to win, and just forgot that winning is like the feeling so I trust keep just be patient with my caddie and also was like two double on the front nine so was really struggling.

Then a lot of up and down in my side, inside me, but I still just keep fighting at the back nine and just no bogey and three birdies, so I'm really proud by myself.

And then also I just a lot of struggling last few years, but just really want to say thanks to my dad and caddie and coach and my friends and family. All on tour my friends, they just kept saying positive things to me.

So I think this winning from like they made it. They made it for me, yeah.

Q. The shoulder has been an issue for you in the past. It's not quite 100% you were saying. Is it going to be good enough to lift this trophy?

MI HYANG LEE: No, I mean, still I don't know -- I cannot believe. I shake my hands. Sorry. Still I think really like lucky last hole, too. Just made a good putt for the last three holes and was nervous for sure.

Just trying to do my best and then just I made the three birdies in a row here so just my caddie kept telling me you can make the birdie on the last. Just I did it. Still I cannot believe it. It feels so great.
