BLUE BAY LPGA

蓝湾大师赛

**Q. All right, here with Yujie after her final round at the Blue Bay LPGA. 1-under round. Not many players under par today. First things first, talk a little bit about the conditions today and your overall score.**

YUJIE LIU: I mean, first, like the weather super windy today. Windy like through the first hole to the last hole. I mean, super challenging today.

Finished strong and really did try my best every single shot and stayed patient all the time. Really happy that all my friends came and watched me. Really happy for that.

**Q. Talk about just your experience or the past couple weeks in Asia playing on the LPGA Tour. How fun has it been and what lessons have you learned playing on the LPGA so far?**

YUJIE LIU: Yeah, I played Singapore last week also so I feel like I learned so much through that week. So it's also one of the reason why I perform better this week.

So I feel like playing LPGA really helps you gain nor experience. You'll learn a lot of lessons but I feel like just really (indiscernible.)

**Q. And then last week you earned your first LEAP point. This week you are going to get another one. Can you talk about just those overall good performances and earning those points so early on?**

YUJIE LIU: Yeah, I just feel like really grateful and then super happy that I get to even compete in that's two weeks and get to make the cut this week.

And then so I wasn't thinking too much of the result because can't really think about all that. I just tried to take one shot at a time and stick to my game plan. That's all I did.
