Quick Quotes

Q. Okay here with Hut after her first round at the Riviera Maya Open at Mayakoba. First off, can you talk about the course? This is your first time playing here since you were a rookie. What are your thoughts on the course?

SUVICHAYA VINIJCHAITHAM: The course is tough. I would say like the fairway is pretty narrow and the green I would say it's not firm but like slow, which make it a little harder.

Q. How do you think you handled the course today?

SUVICHAYA VINIJCHAITHAM: I play okay today. I hit a lot of fairways and a lot of greens. I don't have to chip and play from the sand that much, so I think that's help me like make birdie, yeah.

Q. Yeah. And a bit of a different event being at a resort here, resort course. How have you liked it so far?

SUVICHAYA VINIJCHAITHAM: Yeah, I really like the hotel. It's like really nice. I feel like I'm on a vacation right now.

Q. And also, too, you're a rookie; couple months into your rookie year on the LPGA. Talk about what you learned so far. Anything specific you learned or are you still learning?

SUVICHAYA VINIJCHAITHAM: I'm still learning I would say, just trying to figure things out still.

But, yeah, I learned how to be independent actually, yeah.

Q. Is there any examples or anything where you've taken that from?

SUVICHAYA VINIJCHAITHAM: Yeah, at first I thought I need someone to be here with me. I feel like, oh, I can just do it by myself. It's not that hard.

Q. Are you referencing going to events and things

like that, and traveling?

SUVICHAYA VINIJCHAITHAM: Yeah.
