## Melanie Green

### Quick Quotes

**Q. Okay, here with Melanie Green after the second round the Mexico Riviera Maya Open at Mayakoba. How would you assess today? What are your notes on today's round from you?**

MELANIE GREEN: I'm pretty proud of myself. I woke up and wasn't feeling super great, but proud of how I battled. Definitely looking forward to some sleep, that's for sure.

**Q. How would you compare the conditions out there today to yesterday?**

MELANIE GREEN: Yeah, I didn't stay out in the afternoon. Obviously I don't know what the afternoon looked like, but I heard some other people saying it was a little cooler today. I think her assessment was probably right.

Then I don't think it was as windy today. Thank God.

**Q. And you're in a great position going into the weekend. You've been this a similar position in JM Eagle. What did you take away from JM Eagle that you can apply here?**

MELANIE GREEN: Yeah, no, I think was asked about comfort yesterday and I think that's definitely a piece of it. I guess this isn't necessarily something that I've never done before, so definitely looking back on those times, and honestly, I'm playing golf. That's it.

**Q. And did you see a lot of reaction to your hole-in-one from yesterday? Did you get a lot of texts?**

MELANIE GREEN: Yeah, there was a lot of messages, lot of Instagram notifications. I am going to be honest, did I look at a third of them? No. Did I look at probably an eighth of them? Maybe.

**Q. It was number one on Sports Center last night.**

MELANIE GREEN: I heard that as well. Yes. Bucket List.
