Quick Quotes

Q. Pleased to be joined by Isi Gabsa after her ave final round at Riviera Maya Open at Mayakoba. Just talk about this week. I think it's going to be your best finish of the season so far. Can you talk about maybe what you found heading into this week, and did you expect this result?

ISI GABSA: I don't know if I -- I definitely did not expect it. It's my first time to Mexico and I just thought like I should really enjoy being here. I always wanted to go here.

So I just enjoyed the food and everything else, the resort, and just played golf. Focus on my things that I -- my coach and I worked on. I had last week off so couple things their tried to figure out, and luckily it worked.

Q. And then this week, the golf course has played pretty tricky for the past four days. Talk about what you really needed to focus on when you were out there.

ISI GABSA: I think my fairway finder off the tee helped me a lot. Like a little low driver that didn't get me into trouble at all. Maybe couple missed fairways, but not anything worse.

So that was very, very helpful, knowing I won't get in trouble off the tee.

And then putting, the greens were like slower because of the wind, so that kind of helped me to putt more aggressive.

Q. Then confidence is a big thing when it comes to golf. Are you more confident with your game right now?

ISI GABSA: I think I'm just getting older. With older I guess you get more confidence. I've been doing this for 13 years so I guess like after a while you keep on doing it and doing it, you figure it out hopefully, yeah.

Q. Mentioned first time in Mexico. Have you enjoyed your time here so far?

ISI GABSA: Yeah, it's amazing. The food is amazing. I

think Mexican food is my favorite food, so I've been having way too much tacos and guacamole, so it's awesome.

Q. A little bit of an early finish this week. Any plans for the rest of the day now?

ISI GABSA: Not really. Probably nap. I woke up at 3:45 this morning, so a nap, may go to the pool, and probably fall asleep pretty early.
