## Nelly Korda

### TV Quick Quotes

**Q. Nelly, another fantastic performance. I have to ask, do you think you're playing the best golf of your life right now?**

NELLY KORDA: I'm just enjoying myself and I love the competition. I love traveling to places like Mexico, all over the world. I'm just having fun, yeah.

**Q. It's been a seriously great start to your season. At what point during that process do you think it could be something special?**

NELLY KORDA: I mean, you know, we always put in the same exact amount of work and you just never know; it's golf. Like on the last hole here I was humbled by golf there. I had a pretty smooth day and on the last hole just kind of like humbles you a little bit.

You put in the work. Everyone out here puts in the work. Sometimes it works out. I'm just grateful that I have an amazing team that no matter through the ups and downs we've all stayed the same. We all are super motivated, and we're just happy to be out here.

**Q. Are you going to allow yourself time to relax now?**

NELLY KORDA: Yeah, going home tonight and I'll enjoy a few days off. Only a week off, so then I'm in Cincinnati.

**Q. Looking forward to seeing you there. Once again, congratulations.**

NELLY KORDA: Thank you, Karen.
