Shadow Creek

## Andrea Lee

### Quick Quotes

**Q. Very kind to wait around after a round of 69. Solid opening round on a difficult golf course. Tell us the keys to playing well out here today?**

ANDREA LEE: Yeah, Shadow Creek is always a really tough test of golf. I feel like all aspects of my game were really good today, really consistent. Hit a lot fairways and tried to hit as many greens as possible. The putter was working really well. I think I only had 26 putts today. Rolled the rock well and hopefully can keep that going the rest of the week.

**Q. Yeah, we saw you hit some really good putts out there in our coverage. You packed a good run in the match play in the past. This is stroke play this week obviously. How is the golf course different between match play and stroke play?**

ANDREA LEE: Yeah, I think I was talking to a few of the players at the beginning of the week, and it's just such a tough golf course. It's a great match play golf course but it feels almost like a major championship playing stroke play. Just how difficult and firm and fast it is.

They did soften it up a little bit I think compared to recent years, but it's still really tough. So I just think we to go out there with a mindset of just staying super patient and knowing that par is a really good score practice. Some girls were like, yeah, I won this hole with bogey last year. So just trying to minimize those mistakes.
