Quick Quotes

Q. Here with Akie after her final round at the Aramco Championship. Very solid round from you. Obviously very tough conditions this week. Just how was it playing Shadow Creek?

AKIE IWAI: Yeah, today it was so great day, so everything fit, everything good, yeah.

Yesterday, so I couldn't figure out. I mean, overthinking, but today no overthinking. That's why. My swing (indiscernible.) Yeah, everything good.

Q. Do you think this week prepared you maybe for some of the major championships we have coming up?

AKIE IWAI: Yes, I like. Very optimistic and this week very tough course. I got confidence, so, yeah, final day I got 3-under. That's why, yeah.

Q. On the course what were some of the hardest things about this place and what were some of the things you were able to do well?

AKIE IWAI: Green. So I think my opinion is greens very hardest, very firm.

Q. Yes.

AKIE IWAI: Even I good shot, don't stop. Yeah, but, yeah. And then I was able to just focus my swing. That's it.. and then having fun. Have fun.
