Q. Last week you guys seemed to have some good success against Drew McDaniel. Just what was working so well for him today?

RILEY KING: He threw strikes. He threw strikes. He got outs, and we just -- we didn't hit today. We'll get back at it, though.

Q. Obviously, 1 of 2 in the tournament. Do you still think you're going to be able to get a bid to the NCAAs?

RILEY KING: Yeah, we think so. The past two games hasn't been us. We've been gritty all year. We've played our heart out all year. But, yeah, it's in the hands of the committee, but we'll have to wait for Monday to see, but we believe we are.

Q. Riley, you mentioned that you still feel confident about getting into the NCAA Tournament. Did Coach share a message of what these next couple of days will look like and what your plans will be?

RILEY KING: We're going to get after it. We're going to get ready to play postseason baseball. We're going to practice. We're going to treat it just like we're going into a tournament. That's on our mind. That's our goal. And we're going to treat it like we're going.
