THE MODERATOR: We're now joined by Jonathan Cannon.

Q. Is the team still pretty confident that you guys will be able to get a bid next week?

JONATHAN CANNON: Yeah, I think we've done enough to earn a bid. Obviously, it would have been nice to get one more. It's going to be a long wait until Monday, but I think we're hopeful that we'll get a bid into the tournament.

Q. Just coming in out of the bullpen today, something a little different for you. How unique -- was it a little more difficult because you've been the guy on the mound at the beginning of games all year long?

JONATHAN CANNON: It was a little different. Couldn't go through my normal routine that I would if I was to start the game. But I was able to relieve a lot last year, so it really wasn't something foreign to me. I came in, felt good, and was able to minimize the damage and try and keep us in the game.
