THE MODERATOR: Just recap the game, and then we'll have questions for you.

WILLIAM FREEMAN: Didn't go the way we wanted it to go today. We were ready, and we wanted this win more than anybody, and it just didn't fall that way.

**Q. Will, you've been in Tuscaloosa for a few seasons now. If this is the last ride for you guys, if you don't get into regionals, what are you going to remember about this 2021 group?**

WILLIAM FREEMAN: This is the closest knit team that I've ever been a part of. We truly are brothers in each other's eyes. There's never a dull moment in any of them. You can guarantee that you're going to come into the locker room and laugh and have fun.

**Q. If you had to make your case to the committee on why you guys should be in the regionals, what would that be?**

WILLIAM FREEMAN: Definitely with the run we made this week, I don't think many people were expecting us to make it this far. We've shown what all we can do, and I'd like to think we make a good chance.
