### Q. How is it having DeShaun here?

DAVID JOHNSON: It's been good, haven't wanted to speak too much about it because it's not my situation to talk about but it's good to see him out there.

### Q. Is it any distraction that he's here?

DAVID JOHNSON: No, we're professionals, we know how to handle business, get the work done when we're out here on the field.

### Q. See 23 running scout team?

### Q. What are your impressions of Ty?

DAVID JOHNSON: Very good leader for us, vocal leader for us. I was training with him a little bit in the off-season. He throws a great ball. Communicates well. Pocket presence is great. Leadership is great for us.

### Q. What's it like when you're a returning player on a team that has so many new guys?

DAVID JOHNSON: I feel like I'm on a new team, basically that's the gist of it. I feel like I'm the one who got traded or got picked up on a new team. But you know, I'm embracing it as much as I can. I feel like every year, for me has been a crazy situation with so many different coaching changes, head coaches and position coaches. So I was just really blessed and glad that we got Danny B
