(in progress.)

VINCENT TAYLOR: Just another game.

Q. (No microphone.)

VINCENT TAYLOR: We always got room for improvement. It's good that we're getting turnovers. I think each preseason game we had got turnovers. That's one thing Coach Lovie Smith preaches, so we just got to keep getting turnovers. Like I said, there is always room for improvement.

Q. How do you feel about where the run defense is right now?

VINCENT TAYLOR: Good. You know, like I said, another thing, always room for improvement. I think this week will be a big test for us like he just mentioned playing the defending champ. That's one thing that we got to just keep focusing on, the run defense, and then forcing turnovers.

Q. What have you noticed for yourself?

VINCENT TAYLOR: I think I'm playing with a lot more confidence, learning the scheme, knowing it's a tap front, that's the scheme that I like to play.

So for me, it's just confidence. I think I'm playing with confidence. I'm trying to do what the coaches ask me to do.

Q. (No microphone.) Do you feel like there is more of a test there?

VINCENT TAYLOR: Nah, I just -- we, not me, we as a defense. We just got to go out there and do our job. Don't try to do too much. Just try to do with the coaches ask us to do, execute the game plan no matter whether the starters are playing or the backups playing.

At the end of the day, it's another preseason game. We get to go out there and execute.
