Postgame Press Conference

Q. What was it about the Jets run game that you picked up as the game went on?

KAMU GRUGIER-HILL: I don't know. We need to look at the film. I can't really talk on that right now.

Q. How disappointing is it to win a game like you did last week and (inaudible)?

KAMU GRUGIER-HILL: Absolutely. I mean super disappointing. I thought for sure we all had a pretty good game plan. We started out pretty hot. Just gotta finish. I mean it's been the same thing all year. Our ability to finish is just not there.

Q. What about the run game allows you to play really well the last two games and then the sacks today?

KAMU GRUGIER-HILL: Like I said, I don't know, we've got to look at -- we've just got to be better. We're not part of that. I think we pride ourselves on run defense for sure. To give that up is real disappointing.

Q. How disappointing in the ability to finish?

KAMU GRUGIER-HILL: I don't know, I don't know what it is. It's just not there. We've got to finish. It's the only thing.

Q. Did you think you were going to be able to put it in?

KAMU GRUGIER-HILL: Like you're saying, do you think I should have got it? No, I think the way I just hit the ground, it just came out. I need that one though. I need that.

Q. How frustrating was it to not be able to get off the field on those fourth downs and convert it?

KAMU GRUGIER-HILL: They had a good game plan fourth down. So I mean, I feel like actually we, they got that one and they tried it again we came off the field. We kept fighting.

Q. How tough is it to say it's tough to your ability to finish is not there, here you are 12 weeks into the season. You're still looking for that intangible, if you will.

KAMU GRUGIER-HILL: I mean, I don't know what else to say. It's just game after game we just we get put in these positions and I don't know. We just can't finish. So we've got to figure it out.
