## Justin Herbert

Visitors Postgame Press Conference

Chargers 29, Texans 41

**Q. Did you feel you were able to get into a rhythm?**

JUSTIN HERBERT: Yeah, it's one of those tough things that we kind of shot ourselves in the foot. And we did move the ball well really and I thought we ran the ball well; it's unfortunate we didn't get to turn those drives into touchdowns.

**Q. When Keenan, you weren't able to get him the ball as much as we've seen in the past. Was it something they were doing?**

JUSTIN HERBERT: They just did a good job covering him. We could always get the ball to Keenan, and that's probably something we're going to have to watch the film and look at, because he's an incredible playmaker and you got to get him the ball, so definitely something we have to look at.

**Q. What are you going to take away from this game?**

JUSTIN HERBERT: Going to have to watch film and look at it. Obviously a tough game. We would've loved to have put up more points. I thought we moved the ball well. It's all about ending those drives in touchdowns and not field goals, and being able to get the defense off the field and go score and go put up points.

**Q. The interception that you had at the end of the first half, what did you see on that play?**

JUSTIN HERBERT: Just got to throw it farther. I thought Josh ran a good route and had plenty of time, so I just got to throw it farther.
