## T.J. Watt

### Visitors Postgame Press Conference

T.J. WATT: A lot of gaps, we didn't tackle in the backfield. That combination leads to what you saw out there today.

**Q. T.J. you guys were so good at that last week. Why do you think there was such a difference?**

T.J. WATT: I don't know. We'll have to go back, watch the film, and see where the short calls were. I personally didn't play well at all today, so I think that's part of it. I don't know, have to look at the film and make adjustments going forward.

**Q. (Indiscernible.)**

T.J. WATT: I don't know. I think every single week you're going to see different types of things I think. I don't want to take any credit away from him. I think he played a great game, was getting the ball out quick, getting the ball in his playmaker's hands, able to extend some plays, and they were able to run the ball, too, which controlled the time of possession and the tempo of the whole game.

**Q. (Regarding a couple of games, the momentum was surprising.)**

T.J. WATT: No doubt.

**Q. (Indiscernible.)**

T.J. WATT: It's awesome, man, very happy for him. Glad he got the reception he deserves.
