Miami Dolphins Emmanuel Ogbah

Postgame Presser

Seahawks - 31, Dolphins - 23

Q. Just curious how the shoulder's feeling after that sack. I know you went back into the game, but how are you feeling right now?

EMMANUEL OGBAH: It wasn't me.

Q. Looked like you were able to kind of get in the backfield, make a couple of plays in addition to the sack for the loss in the game. Could you talk us through those plays and what you were able to do to make an impact on the defense?

EMMANUEL OGBAH: Coach drew up a great game plan. I just did my job, really, set the edge and make tackles and plays for this team.

Q. Emmanuel, you did have that fourth-down stop early in the second quarter. Can you just take us through that play? Do you remember what happened on that play?

EMMANUEL OGBAH: Like I said, Coach Flores had a great game plan. I felt like a play needed to be made and I stepped up.

Q. With 17:15 until the fourth quarter where they had the two touchdown drives down there, how did you take to that in the locker room? What was the mood like after the game there, after giving those two touchdowns up?

EMMANUEL OGBAH: Shake it out, get back out there and play.
