XAVIEN HOWARD: Like a funeral.

Q. What was that interaction between you and Steph at the end of the game?

XAVIEN HOWARD: It's football. We respect each other. After the game he was like, Good job, stuff like that. But just a lot of respect.

Q. What happened on the touchdown? Looked like you lost a shoe.

XAVIEN HOWARD: Yeah, I think he had fell. Josh had him scrambling. That's what he do. We was looking forward for that, him scrambling, throw the ball, so he did that.

Q. What happened in the second half with the drive?

XAVIEN HOWARD: We just got to get better each day. Take it one game at a time. Learn what we missed in this game, move on.

Q. What is this team's level of confidence in Jacoby?

XAVIEN HOWARD: We're very confident in Coby, man. We talking trash at practice, me and Jacoby. It's the next man up mentality. Whatever he lead us through, we going to do it.

Q. Are you surprised the way he played today?
