## Kader Kohou

Postgame Presser

Dolphins - 29, 49ers - 17

**Q. When was the last time you had a game saving, sealing interception?**

KADER KOHOU: In the league?

**Q. Anywhere.**

KADER KOHOU: Anywhere? College, my sophomore year. That was a long time ago. Then I got this one.

**Q. What did you see on the play?**

KADER KOHOU: I know when they go three by one they like to run like a jagged run. So we was in Cover 2. I just made it look like it was man and go straight through them.

**Q. What did it do for this team to get this win and keep hopes alive?**

KADER KOHOU: It's huge for us, man. I feel like we have a playoff team. A lot of games didn't go our way this year, but it didn't go our way this year, but it doesn't affect that we do have a good team and a lot of great players. We've just got to keep winning games. I know it's not all in our hands right now, but we've got to do what we do.

**Q. There were some teams with the result last week, they packed it in. They're thinking about Cancun. You guys obviously did not. Why was it important to put the performance out there that you did today?**

KADER KOHOU: Like I said the whole year, even when things weren't go our way, we always thought we were a playoff team. There's more thoughts in my mind than about Cancun or anything like that. We're still thinking about the playoffs, and we're trying to win every game.

**Q. Do you think that should have been a big pick for Big Benito Jones?**

KADER KOHOU: Yeah, I thought the rule was, if you had possession of it then it hits the ground, that's your ball. The refs made a call, and you just have to live with it.

**Q. What did you think of his effort today, dive for it, loses his helmet, tried to get up?**

KADER KOHOU: He's crazy, man. That's Benito, he just showed he's a great athlete there because he can run the ball, rip his mask off, put him off, and he's like --

**Q. Are you returning an interception if your helmet is off or are you going down?**

KADER KOHOU: I'm going down. I'm not getting that crazy, man.

**Q. Any fun holiday plans.**

KADER KOHOU: My little brother just got here yesterday. I'm going to spend time with him. My mom and my dad didn't make it, but I'm just going to spend time with my little brothers.
