Jordyn Brooks

Postgame Presser

Patriots 33, Dolphins 27

Q. Can you describe what you and the guys in the locker room are feeling?

JORDYN BROOKS: Disappointed. Losing a tight game like that, it's a disappointment.

Q. Why do you think the defense had struggles early in this game?

JORDYN BROOKS: I don't know. I've got to go back, watch the tape. Usually it's probably one guy off here, one guy off there. I don't know, but...

Q. When you start off 0-2, is it more about fixing mistakes on the field or just trying to keep everyone mentally strong?

JORDYN BROOKS: I think it's both. You've got to clean the stuff up that we're messing up on, special teams, offense, defense, and then gather everybody back mentally. To start off 0-2 is not a good feeling, so this week we've got a short week. We've got to put it behind us fast; know what I mean? That takes a lot of mental strength to be able to do that and then turn your focus to the next team.

So we really don't have a choice. We've got to do that.
