## De'Von Achane

Postgame Presser

Patriots 33, Dolphins 27

**Q. On that would-be touchdown, did you think your foot went out of bounds in real time?**

DE'VON ACHANE: No, most definitely not. Unfortunately it did, but it's just a game of inches. That just shows even though I did go out of bounds, you still had penalties at the end of the game that we can't have.

**Q. How do you measure progress in a week like this where there's little time to reset for the next opponent?**

DE'VON ACHANE: Got to fix mistakes quick. Like you said, it's a short week, and we're going up to Buffalo against a great team, and the way we played today, that's not going to work up there. We don't want to go up there and get blown out, we've got to fix the stuff we did and go up there with a different mindset.

**Q. Devon, how hard is it to give so much and to come up short in a game like this?**

DE'VON ACHANE: Very hard. Like you said, I don't think nobody who was out there want to lose. If I'm out there, I'm always giving my 110, and obviously it's not enough, so I've got to go and correct some stuff and see what more I can do.
