T.J. Watt

Postgame Press Conference

Pittsburgh Steelers - 19, Baltimore Ravens - 14

Q. Just wondering, did it take you guys awhile to kind of get warmed up to this game, being that it was on a Wednesday after all the delays?

T.J. WATT: No, I felt ready to go tonight.

Q. In terms of the what happened with Bud there toward the end of that, did you guys run into each other there or what happened on that play?

T.J. WATT: I'm not sure. I didn't know what happened. We'll just have to wait and see what they say.

Q. Slow start and got a little shaky at the end. Did you feel like you guys overlooked them at all or did anything they do surprise you coming in with a lot of guys missing and I think eight guys who had never played in the NFL before today?

T.J. WATT: Obviously, we did not overlook them. Everybody out there is paid to be a professional football player. There are no walk-ons here and we just got to start faster. We got to play better.

Q. Just wanted to know, is there a difference mentally with how you prepare for a game on a Wednesday afternoon as opposed to just playing on a Sunday as a creature of habit?

T.J. WATT: No, I think you just got to make adjustments and let a Tuesday feel like a Saturday and things like that, but for the most part, no.

Q. Have you had a chance to talk to Bud or check on him or anything after that?

T.J. WATT: Not yet.
