**Q. Overall, how did you feel about your performance in this one?**

JUSTIN LAMSON: I don't think I performed very well. I made a lot of crucial mistakes. I was moving the ball down the field, and then I had a turnover early, which put us behind. Not very good. We only scored seven points, so...

**Q. When did you find out you were starting today?**

JUSTIN LAMSON: I mean, I knew yesterday, but I took all the one reps in practice this week, so I had a good idea that I was probably going to get the start.

**Q. What do you think the biggest issues were in the downfield passing game today?**

JUSTIN LAMSON: I missed a couple of posts that were open and I've just got to throw the ball. We've got those plays, so it was me not throwing the ball there.

**Q. Fumbles aside, what can be improved with the red zone offense do you feel?**

JUSTIN LAMSON: We were doing good in the red zone until I fumbled. I think that was the only red-zone trip we had. I thought we did well in the red zone except for that play.

**Q. It doesn't get any easier next week going to Notre Dame. What's the mentality after this one?**

JUSTIN LAMSON: I'm not sure yet. Just move on and that's what Coach (Taylor) is harping right now. We've got to get better. We'll see what we take into next week.

**Q. What was the message from Coach at halftime? It was a 14-0 game. What was the message from him at the break there?**

JUSTIN LAMSON: Yeah, just try to get better at the stuff
