Quick Quotes

Q. What's it like seeing Pete Golding just Tweet sharks?

JOHN SAUNDERS JR.: It's like every day I'm seeing another shark in it. I'm seeing all the memes of Pete and the recruiter. It's amazing, man. It's so funny to see just every day on Twitter.

Q. There's one thing that Pete pointed out in his breakout over there was how that Georgia game was kind of a turning point in the sense of not only the next two games that followed but also kind of what you're seeing so far as far as this off-season, the transfer portal, the class, and all that. How have you kind of seen that from your vantage point, just kind of being part of this assembly, kind of setting the foundation for what's to come?

JOHN SAUNDERS JR.: It's really just a blessing honestly. To be able to be part of this team, like the opportunity, playing in the Peach Bowl and just keep getting better. It's amazing, man. So really just trying to stay focused every day. Just keep making sure that I control what I can control, and that's just becoming a better player day in and day out.
