Louise Rydqvist

Quick Quotes

Q. Can you start by summarizing what this week has meant for you, your first time out and getting to play today?

LOUISE RYDQVIST: Yeah, it has meant the world to me to be out here this week. We've had so much fun on and off the golf course. This event is so well run, and I cannot wait, and I really hope that I'll be back next year.

Q. You had quite a few teammates out here. What does it mean for you to have so much of your team and your coach here watching you?

LOUISE RYDQVIST: I mean, super special. I'm just very, very thankful and happy to be a part of such a beloved team and then be part of a whole Gamecock family. I've had so many Gamecock fans out here today. Just extremely thankful to be a part of it.

Q. You had those birdies on 11 and 13 and I think at one point there was a Gamecock chant from somewhere. How does it feel to represent and be here and have so many Gamecock fans come out here and show that support?

LOUISE RYDQVIST: It's unbelievable. You go out there and try to look around and soak it in, but it's hard because it's a lot going on. You try to play golf, you try to enjoy it at the same time, and it's a lot, but I've enjoyed it so much, and I can't wait to let it soak in.

Q. You have SECs coming up. Does it feel like that's going to be an easier stretch?

LOUISE RYDQVIST: No, I mean, we're going to get down there. I'm going to go home, repack and then get down there, and we're on the competitive track again, so we're going to go and hunt down that trophy and those rings for sure.
