Minseo Jung

Quick Quotes

Q. Great round today. Talk about how you feel.

MINSEO JUNG: At the beginning, I wasn't doing that well. So I tried to concentrate more later on, and that brought me a better result.

Q. You're 4-under today. Right now it's the second highest in the competition. Was that something you were expecting today?

MINSEO JUNG: I didn't really -- I tried not to care much about the rank. I just tried to do my best. After I was finished, I found out that I was second place.

Q. I know this is your first time playing in this competition. How do you feel about this atmosphere, having these fans and the audience today?

MINSEO JUNG: The size of the competition was bigger than I thought, and there were a lot of people, fans around, and that kind of made me focus more on my play.

Q. Tomorrow will be the second round, which decides whether you can go to Augusta National for the championship. How do you want to play tomorrow?

MINSEO JUNG: Of course my goal is to make it to Augusta. So tomorrow I'll probably play the same way as I did today, concentrate on the things that I need to.
