## Anna Davis

### Quick Quotes

**Q. Just to start, you're slated to make the cut for the first time since you won the tournament. How does it feel being able to make it back to Augusta?**

ANNA DAVIS: It's very exciting. I'm very excited to play on Saturday.

Yeah, it was the goal to be able to play a Saturday round at Augusta, so yeah.

**Q. How was your mindset and your approach to this course changed coming into this year?**

ANNA DAVIS: Into which course?

**Q. Into Champions Retreat, coming into this?**

ANNA DAVIS: I think it's a little more gettable than it was the last few years. It's a little soft because of the rain, and there's a few holes that are different because of the storm and some trees fell down.

I think the goal was just to make a lot of birdies and try and capitalize on and take advantage of how gettable the course is.

I mean, it was just to stay consistent and try to put two good rounds up.

**Q. Any general thoughts on your game going into Saturday?**

ANNA DAVIS: Not really. Today was kind of -- it was a grind today, very up-and-down round. Started off well, but I think just -- I mean, my lag putting was great. Proximity to the hole was not good.

Yeah, I think just kind of tidying up the irons a little bit will be good. Putting feels great. Chipping's good. Driving's good.
