Paula Martín Sampedro

Quick Quotes

Q. What do you take from this week, your highlights, your frustrations and everything?

PAULA MARTÍN SAMPEDRO: Yeah, I mean, it was such a special week. I played last year as a first-timer, and coming back to Augusta National is so special. I really don't have any complaints. Today's round was really solid, too. Putts didn't drop at all, but just so happy to be back, have my coach on the bag, and my family is here, so just really happy and grateful for being here.

Q. Your coach and your caddie have some familiarity with Augusta National?

PAULA MARTÍN SAMPEDRO: Yeah, he did play the Masters in 2003.

Q. What's his name?

PAULA MARTÍN SAMPEDRO: Alex Larrazabal. He's great. He's been super helpful this week, and he has caddied here a couple times, too, before, so definitely I had the experience on the bag and it's great to share this week with him, too.

Q. Talk about the Spanish power on the leaderboard.

PAULA MARTÍN SAMPEDRO: Yeah, it's great to see a couple of my old teammates in Spain just fighting for that title. I think the generation of women now in Spain is amazing, and we're all fitting each other to just be better and push ourselves to just improve day by day. It's just great to see them up there, and just very happy for Team Spain doing this good.
