**Q. How would you describe that experience with Bear?**

SAM BURNS: It was awesome. Definitely one he probably won't remember, but I definitely will. It was really cool. Definitely had a blast for sure.

**Q. We were a little unsure what was happening there with the pond and the feet in the water there.**

SAM BURNS: He loves water and he kept eyeing it. I told him I'll take him over there if he wants me to. Went in there, got his feet wet a little bit. He enjoyed it. So it was good.

**Q. It's the eve of the Masters. Is there a different anticipation for this tournament compared to others?**

SAM BURNS: Yeah, sure. I think it's definitely one we always look forward to every year. I would say, as the tournament gets closer, you obviously are getting more and more excited.

**Q. How are you in your preparation?**

SAM BURNS: Yeah, it's been a great week so far. Obviously Monday not able to do much, but the last couple of days has been really nice.

**Q. You play a lot of golf with Scottie. What is it about his attitude that benefits him on the course?**

SAM BURNS: I think, at the end of the day, he doesn't make a lot of mistakes typically. So the rare times he does, he's able to move on pretty quick from them. So that's a huge positive in this game.
