**Q. Talk about that hole-in-one.**

KEEGAN BRADLEY: Yeah, it was, like I've been saying, it was up there with my favorite moments of my golf career, maybe even my life. It was really fun to be there with my family. It was special. I'll never forget that ever.

**Q. The tradition, you're supposed to buy drinks. A lot of kids there. Juice boxes for everyone?**

KEEGAN BRADLEY: Shirley Temples.

**Q. How prepared do you feel like you are for this Masters?**

KEEGAN BRADLEY: I really feel ready. I do. It's really fun to -- I don't know how the week's going to go, but it's really fun to show up to a big event like the major or the Masters and feel like you've got a chance.
