Q. After everything you talked about Tuesday, being able to bounce back in the majors, how frustrating was it today and how confident you can get back in it?

JON RAHM: I'm confident. It's a very difficult golf course. It's going to get harder. If I can get off to a good start, post a round in the 60s tomorrow, then the weekend could be a new story.

Q. Was it as simple as the driver putting you in tough situations today?

JON RAHM: A bit of everything. Not good off the tee, and then the few chances I had, I didn't take advantage of.
