**Q. Know you probably disappointed with that finish, but played well the last two days.**

DUSTIN JOHNSON: Yeah, I'm playing better than that I scored for sure. Didn't score very well. Yeah, tough finish there. Played pretty solid all day until last two holes.

But, you know, this golf course, it's a pretty tough finish. If you drive it in the fairway it's not tough. You miss the fairway, it's difficult.

**Q. What is the next level for you? Like you said, you're playing better than you're scoring.**

DUSTIN JOHNSON: Yeah, just got to keep at it. Golf is a funny game. You play the same round and shoot 4-5-under, as I did today, shoot 1-over.

You know, just couple putts here and there drop and gives you a little momentum, a little confidence, it's a different day.

All in all it's still pretty solid. Tough conditions. Greens are a little softer, which help. Yeah, just need to hole a few more putts and get a few more in the fairway would be all right.

**Q. Is there a momentum? I know the majors are spaced out. Only play four a year. But when you're contending in a lot of them as you were few years ago, does that build on itself and now you're in the opposite situation?**

DUSTIN JOHNSON: Yeah, for sure. All it takes is one good round though and it's kind of right back into it.

You know, for me, just got to clean up the mistakes a little bit. The game is in good form. Just got to limit the mistakes.

**Q. You feel like you're getting closer to that form of play?**

DUSTIN JOHNSON: The game a really close. Like I said, clean up the misses a little bit, and, yeah, everything else feels really good.

**Q. Do you have some sense of excitement for going back to...**

DUSTIN JOHNSON: Yeah, I mean, it's hard though. Hopefully the game is in really good form when you pull in.

**Q. Well, you proved that before.**

DUSTIN JOHNSON: Yeah. No, I like the course. It's right in front of you, but it's just hard.

**Q. How will you prepare for that?**

DUSTIN JOHNSON: No, I'm just get the game as sharp as I can.

**Q. Were you hurt last year?**

DUSTIN JOHNSON: No. I was struggling to find a driver was all. That was the problem. Yeah, working a lot on the driver and couldn't really ever get win I was comfortable with.

**Q. You're good now?**

DUSTIN JOHNSON: Yeah, driving it a little better.
