Q. Sungjae, what went well for you today?

SUNGJAE IM: Overall I had good round, so I did pretty good with my shots, just the last couple holes, 15 and 16, I made bogeys and my tee shots went into the water.

Except for that, I am pretty satisfied with my round.

Q. What were the best moments of the day, the best shots of the day?

SUNGJAE IM: I think No. 9. I got the tap-in birdie. That's my best shot I'd say today. Overall I am feeling good with my game, so it's pretty good.

Q. This is not the first time we talk at a major. This is not the first time you are in contention. What is the attitude? How do you look at the weekend now?

SUNGJAE IM: This course, they don't allow you to have much mistakes, so I tried not to make much mistakes, tried to keep a low score. That's what I tried to do.
