Q. After your start today, did you think it was one of those special days?

JON RAHM: No, not at Augusta National. You're thinking the fact that you made a couple birdies to start is doable.

That pin on 1 might be the easiest.

2 being a par-5 and then 3 with a great drive, it's doable. It's not easy but it's doable. Just as easily as they come, you can get a little unfortunate and start struggling a little bit, and even though, I made a good number of par putts today to post that under par.

I was really, really good on the greens besides the 5th hole. If it wasn't for that, it still would have been an under-par round, on even-par round. There's still a lot of mistakes to hopefully clean up.

Q. What's the mindset going into tomorrow?

JON RAHM: Same as today. See if I can go out there and shoot some 6-, 7-under or lower and hope for the best.
