Quick Quotes

Q. Charl, looking back at the four days, the good, the bad and the ugly, what would you say?

CHARL SCHWARTZEL: It's been a while since we've had this amazing weather out here, so from that point of view, this is what you picture Augusta when you close your eyes. So that made it a really nice week.

Q. In terms of your play, in terms of good?

CHARL SCHWARTZEL: Played great, got nothing out of it. Didn't make any putts. I felt like I putted okay, but it was one of those weeks where things don't go your way.

Q. What would you say was the bad?

CHARL SCHWARTZEL: There was no real bad. I mean, there in the second, third round, iron play, a few loose iron shots from the middle of the fairway. But overall I don't think people realize the small margins out here. The weeks that you play well out here is the weeks that you don't even realize it but the bounces go your way. But you definitely realize it when they're not going your way.

There was a lot of shots this week that was one foot away from making birdies, and they were bouncing one foot the other way and I was making bogeys.

Q. Can you foresee a situation where you decide I'm not going to play necessarily every year on this great course?

CHARL SCHWARTZEL: I'll stop playing when they ask me to stop.

Q. When you're too old like Gary Player and can't do it anymore?

CHARL SCHWARTZEL: Yeah.

Q. Any tips you'd give an amateur golfer for playing here?

CHARL SCHWARTZEL: You'll have a good time. You'll have a good time. You're going to probably shoot 100, but enjoy it.

Q. What's in your immediate future? What's coming up next for you?

CHARL SCHWARTZEL: I've got a week off, and then we've got Mexico and South Korea the following two weeks. Definitely need a mental rest after playing here.

Q. You just go home and chill for a week?

CHARL SCHWARTZEL: Yeah.

Q. Are you leaving now straight away or going back to the range?

CHARL SCHWARTZEL: No, we'll leave tonight.
