THE MODERATOR: Cordarrelle Patterson and Mike Davis.

Q. (No microphone.)

CORDARRELLE PATTERSON: I mean, he's the one that scores. I think he should answer that.

I mean, man, it feels good. This guy here is a play-maker. I'm trying to be like him when I grow up (laughter).

Q. (No microphone.)

CORDARRELLE PATTERSON: At the end of the day we got the win. That's all that matters. Don't care if we win by 1 point, 100 points. Our whole mindset was get a win going into the bye week and that's what we did.

Q. (No microphone.)

CORDARRELLE PATTERSON: I loved it. I want to come back every week.

MIKE DAVIS: I love it, too. This is my third time as well. Every off-season I come here. I love it.

Q. Mike, what did you end up doing last night?

MIKE DAVIS: To be truthful, we ended up at a spot, ended up at Five Guys. I was supposed to pay for everything. They had already paid for theirs.

CORDARRELLE PATTERSON: When Mike say he paying for something, do not believe it. Do not believe it. He never pays (laughter).

MIKE DAVIS: I took them boys to Ruth's Chris.

CORDARRELLE PATTERSON: That's like McDonald's, man. That's how you know he got money (laughter).

Q. Cordarrelle, what do you think of Kyle today getting his first career touchdown?

CORDARRELLE PATTERSON: We all know what Kyle can do. Like coach always say, he expects stuff like that from Kyle. We do too. He was the first overall pick. He got every asset. He got good speed, hands, routes.

Stuff like that happen to a guy, we want it to happen every week. We just proud of the guy. He's been coming each and every week. He's doing everything he can. There's a lot on his plate, but it comes with the territory.

We always got his back. We support him. We just hope he continue to do that.

Q. Have you been able to soak up any of the big sports in England, football...

MIKE DAVIS: Every time we get there, they never give us time to do anything. Always the coach's fault. We got to blame them for not giving us a lot of time to watch them.

Q. Coming to London, is it like a bowl game in college?

MIKE DAVIS: Heck, no. No (laughter).

CORDARRELLE PATTERSON: Ain't no bowl.

Q. The NFL might start moving to Germany next year, maybe other countries around Europe. How do you feel about that? Proud the American game is going global? Any other countries you'd like to play?

MIKE DAVIS: That would be lit. That would be really lit. I really think that would be fun. I mean, players really love coming to London. I think we're playing in Mexico City, as well. For us to get a game in Germany, that would be a great experience.

Q. Any other countries you want to play in?

CORDARRELLE PATTERSON: Every country. Should be a different game every week in a different country.

MIKE DAVIS: If we could play a game in Turks and Caicos, I'm pretty sure CP would love that.

Q. What do you make of the UK-based fans for the NFL?

CORDARRELLE PATTERSON: It was awesome out there, man. I was out there earlier throwing the football with everybody. That's probably my best crowd I had. Everybody was excited. When they doing stuff like that, just making my job more easier for me.

MIKE DAVIS: Yeah, 65,000 fans, that's insane.

CORDARRELLE PATTERSON: 65?

MIKE DAVIS: 65,000.

Q. Any thoughts on Jon Gruden's comments?

MIKE DAVIS: I don't know. I haven't seen. I can't give you a comment on that because I don't know.

Q. Email from 10 years ago, some comments allegedly.

MIKE DAVIS: Interesting.

CORDARRELLE PATTERSON: I can't tell you.

Q. How is it going into the break with getting the win?

CORDARRELLE PATTERSON: Honestly, I know for me and Mike, it's really in the bye week, we going to get our bodies worked on, working out when we go back home, stuff like that. You can say a bye week, but it's still a long season. We still got to make sure our bodies stay in shape.

You can't take no days off. You need the rest, but we all know what we needs for our body. Got to go in and just get our bodies worked on.
