Q. Would you say penalties, goals, hurt you guys?

JOSH ALLEN: We didn't take care of the little things. You know and that's on us captains, making sure that this team is ready to go. You know, the opposing teams, they were ready to go today. We weren't.

Q. Could you describe how it affected your team, the atmosphere?

JOSH ALLEN: Yeah, it was obviously a great energy in the stadium. You know, they showed out and seemed like there was a lot of Bills in the house which was great. Just wish we could have gave them the win.

Q. (No mic).

JOSH ALLEN: Yeah, it's not -- it's not a great stat. We'll get in there and learn from it and hopefully move on. We've got a game next Sunday.

Q. May have rushed you guys a little bit -- did it feel like it was a rushed meeting to get ready?

JOSH ALLEN: I don't think so. At the end of the day we've got to be ready to play on Sunday and it doesn't matter if we traveled on Saturday, Friday, Thursday, Monday, would weeks ago. Didn't matter. We didn't put out our best stuff and they did ask that's why they beat us.

Q. (No mic).

JOSH ALLEN: We don't feel like they did anything out of the ordinary for them but they have got a good group over there and they played well.

Q. (Off-mic): You had two-deep balls, one completed, another one they pulled -- what did you see on those two plays?

JOSH ALLEN: Yeah, he did a little double move on both of them. The first one he was wide open, just don't miss them. The second one, moving up in the pocket, blocks, got jarred out of my hand a little bit and had to reset. Got me a little bit late and left it just a little bit underthrown, and the guy made a good play.

Q. (Any update on Matt?)

JOSH ALLEN: I'm not sure what's going on with Matt. Prayers going out to him. He's one of our key pieces on that defense and he flies around and he makes a lot of plays for us.

You know, hopefully it's not a crazy injury, and hopefully we can get him back on the field soon. But our defense made some key stops when they had to. We've got to do better for them.

Q. What was it that was able to get you guys going? How did you rally offensively to get in that gear?

JOSH ALLEN: Just a little bit of tempo and adjusting to what we were seeing on film. Good plays, I guess. We came out late in the third quarter, early fourth and felt like we had some more urgency and we didn't have that early on in the game, so we've got to be better with that.
