**Q. (No microphone.)**

JAYDEN REED: Yeah, no doubt. All the little things matter. Got to tighten up on the little details, like the one drop I had. Just got to look at it. No doubt, just got to keep working on it, finding ways to get better.

**Q. (No microphone.)**

JAYDEN REED: Yeah, like I said, the small details. We did a lot of things that we know that we can be better at. We just got to attack, work on those things so we can be better at as a whole.

**Q. (No microphone.)**

JAYDEN REED: No.

**Q. (No microphone.)**

JAYDEN REED: Obviously we got a lot of guys that can make plays. We got to keep finding ways to get better at executing our job so we can get everybody involved and we can be a powerful offense.

**Q. (No microphone.)**

JAYDEN REED: I thought it was a really good experience. A lot of noise. It was louder than I thought. I seen a lot of different jerseys around, which is interesting. It was a really fun experience.

**Q. (No microphone.)**

JAYDEN REED: They had some good guys up front that was able to create a little pressure. They had guys flying around on defense, as well, attacking the ball, so...

**Q. (No microphone.)**

JAYDEN REED: Yeah, I felt a lot of support. I heard a

lot of Go, Pack, Go. I definitely felt the energy from the crowd.

**Q. Why was it a struggle in the red zone tonight?**

JAYDEN REED: I mean definitely we just got to get better at executing, focusing on the little details that can help us elevate in the red zone. Yeah, we did struggle there. We know we need to work on it, and we will be better at that.

**Q. (No microphone.)**

JAYDEN REED: With this room, it's any given week. Anybody can make those plays I made today in the room. We're very dynamic in that room. I don't look at it as a wide receiver one thing. I think we all are ones, if you ask me, so...

**Q. Do you think it was a good idea for the NFL to bring the game to Brazil?**

JAYDEN REED: Yeah, just to expand the game. It was very interesting, even just for us to be able to travel 'cause a lot of us never been to Brazil. It was really a good experience for us.
