Q. How does this team bounce back from this -- four straight losses, frustrating losses?

MICHAEL PENIX JR.: We've just got to stay together. We've got to stay together, continue to trust in our game plan each and every week. We've just got to execute when it's needed the most.

Q. Does that become more (inaudible) stay together and become more difficult when the results don't come?

MICHAEL PENIX JR.: I don't say it becomes more difficult. It becomes more frustrating whenever you do have that. And it's tough to win in this league. But we've got to figure it out.

Q. Why so tough today (inaudible)?

MICHAEL PENIX JR.: We just didn't execute when we needed to. Our defense got a lot of big-time stops for us, and we didn't put points on the board. That's it.

Q. Over the last two (inaudible) not converting on third down, I think 0-for-8 today. (Indiscernible) what's going on in those situational moments?

MICHAEL PENIX JR.: I don't know. It's something we've got to figure out. We'll figure out, watch film, figure it out. But, yeah, we've got to be better. And it starts with me.

Q. Do you feel like those moments where you aren't able to string the drive together has kind of what's been the way of this game?

MICHAEL PENIX JR.: I don't know. It's hard to point at one thing. We've got to watch the film and see. I really don't know.

Q. What was the main thing you saw in the Colts' defense? Testing offense (inaudible) many

instances?

MICHAEL PENIX JR.: We saw everything that we thought we were going to see. We've got to go and execute. We've gotta do it.

Q. I know that was a tough day for you, but what was the impression of the stadium?

MICHAEL PENIX JR.: It was awesome. It was a great atmosphere. It was very fun to be able to play over here. The fans were amazing. It was definitely a great experience. Something I won't forget.

Q. (Inaudible) since your first start, (indiscernible) 16 last year, no quarterback/wide receiver duo has (indiscernible). Can you speak to y'all's connection and how to continue to show up every week?

MICHAEL PENIX JR.: It don't matter. We've got to win. It don't matter.

Q. Are you frustrated with yourself right now and why?

MICHAEL PENIX JR.: I gotta play better.

Q. What does that involve? Is that accuracy?

MICHAEL PENIX JR.: Everything. Everything.
