### Matty Longstaff

Media Conference

Toronto 1, Chicago 4

**Q. What do you think went wrong tonight?**

**MATTY LONGSTAFF:** I think quite simple. I don't think we had the races. Yeah, obviously we are below our standards by a long way, and we have to be better.

**Q. Can you take us into the locker room afterwards? What did John say, if anything, to you guys?**

**MATTY LONGSTAFF:** He said what we knew. We have to be better. It's that simple. We have a game on Wednesday. Yeah, that's not us that showed up tonight. Coming off the D.C. game was disappointing not to win, and to come out and play like that, unacceptable and something we have to work on for Wednesday, maybe sure we're a lot better.

**Q. How much does that light a fire?**

**MATTY LONGSTAFF:** No, you're not wrong obviously. From the start of the year we set high standards and today was nowhere near. I'm pretty sure -- we need to be ready for Wednesday. That's that simple.

We spoke about how we wanted to make playing at home such a tough place to come. Tonight we were probably the furthest thing way from that. Yeah, need to make sure we're ready for Wednesday.
