## Marcus McKethan

Draft Press Conference

### Q. Have you heard from Josh yet?

MARCUS MCKETHAN: Not yet. It's been a little busy, but I'm pretty sure he's going to call.

### Q. How exciting is it to be going to the same NFL team as your college teammate like this?

MARCUS MCKETHAN: Oh, this is a great feeling, playing next to somebody for three years, just getting to go to the same NFL team, it's like a dream.

### Q. How much contact did you have with the Giants during the pre-draft process?

MARCUS MCKETHAN: We had a couple meetings, a couple Zoom meetings and I had a personal visit with the O-line coach. So I guess quite a bit.

### Q. Have you ever played tackle?

MARCUS MCKETHAN: I have a little bit but not in the last three years.

### Q. Do you think that's something that you could work on developing in the NFL, or do you view yourself as a guard and like that's your wheelhouse?

MARCUS MCKETHAN: I can definitely play tackle as well.

### Q. How would you describe what kind of offensive lineman you are?

MARCUS MCKETHAN: Just somebody that can move people, I just love contact.
