Visitors Postgame Press Conference

Pittsburgh Steelers 31 - Jacksonville Jaguars 25

**Q. Did you enjoy that? A lot of play action, too.**

MASON RUDOLPH: It was. Arthur did a good job of calling some aggressive shots over the middle first couple of plays and first drive. So Roman Wilson made a really nice catch to kind of get us going. So it was fun.

**Q. Cool for you to be back out there?**

MASON RUDOLPH: Really cool, really fun. Good to be back in the black and gold, man. Just a lot of friends, a lot of dear friends and coaches that I've spent a lot of time with. And it was just a level of comfortability there that you can't really replace.

THE MODERATOR: Anyone else? Perfect.

MASON RUDOLPH: Wonderful. Thanks, guys.
